

Berenice

Floater Teacher, she/her

I've been working in early childhood education for three years and I truly enjoy creating imaginative curriculum, engaging in play, and caring for others. My favorite children's books are "No, David" and stories about Belle (my favorite princess)!

Fun fact: my daughter is even named after her! When I'm not in the classroom, I love spending time with my family - whether we're cooking, gathering together, or just relaxing. This year, I'm most excited to build strong connections with our new children & to create loving, meaningful relationships throughout the year.
